

## **College to Career Exploration Field Trip for Franklin 8<sup>th</sup> Graders**

On October 31<sup>st</sup> our 8<sup>th</sup> graders had the opportunity to visit a college campus. The visits included a brief presentation regarding the college and was followed by a brief campus tour. Students attended UNI, Iowa or Kirkwood. Students who attended Kirkwood also transitioned to Modern Piping and learn about the many different trades needed to run a successful company. Our 8<sup>th</sup> graders will be registering for high school in the near future and will also attend a Financial Literacy Fair in late spring at the Kirkwood Regional Center in Hiawatha. High school transition dates and information can be found on the Franklin Web Site, click on Our School then scroll down to Counseling. We will be updating the transition information in the near future. If you have any questions feel free to contact the counseling department 558-2258.
