

McKinley and Franklin Middle School Swimming
2017-2018--Expectations and Schedule
First Day of Practice: Monday, December 4, 2017 @ 3:00

TEAM GOALS:

The goal of McKinley and Franklin Middle School swimming is for each student/athlete involved to learn more about competitive swimming and about working together as a team. Improvements in times and performances at swim meets will come as a result of hard work in practice.

SWIMMING SUPPLIES:

You must have a current physical and concussion form turned in to the Clinic before you can practice with the team. Each swimmer should provide your own swimsuit or shorts with drawstring and a towel. (No, Speedo style suits are **not** required) Goggles can be purchased on your own at one of the local sporting goods stores. Goggles are not necessary, but recommended.

PRACTICE SCHEDULE:

Practice times during are after school Mondays through Thursdays from 3:00-4:00 and Fridays from 6:15-7:15 AM. Swimmers are expected to attend ALL scheduled practices. Exceptions should be discussed with Coach Goodlove or Hayes prior to an absence or immediately upon return from one. Unexcused absences from practice may result in a student being held out of swim meets. We will not have afternoon practice on early release days or morning practice on meet days.

BUS TO AND FROM PRACTICE/MEETS:

McKinley and Franklin will provide a bus to and from Washington High School for both after school practices and meets, departure 2:35. McKinley will have a return bus scheduled to return to McKinley around 4:30. The return bus may be cancelled if not enough students use it and other transportation can be found. Students may and are encouraged to ride home from Washington with parents instead of returning to McKinley. During morning practice swimmers need to get to Washington practice on their own and a bus will be provided to get them from Washington to McKinley and Franklin at 7:30. If 8th graders have classes at Washington they would stay at Washington for those.
